Construction Recycled	\$10.48
Flushing	\$8.69
ESA Credit*	\$0.60

* Eastern Service Area (ESA) customers previously approved a ballot measure to pay a portion of their water bill on their property tax bill. As long as Padre Dam continues to receive property tax revenues, ESA customers will see the credit shown above for each unit of water used. If the state takes such property tax revenues in the future, ESA customers will no longer receive the tax revenue credit.
