

Attention Mobile Home Park Management:

**THE FOLLOWING RATES APPLY ONLY TO THOSE SERVICES SUPPLIED TO YOUR PARK BY PADRE DAM MUNICIPAL WATER DISTRICT.**

This information is provided to inform Mobile Home Park Management of the current rates and fees. The rate structure may be confusing for individual residents within a mobile home park, if you provide individual sub-metering. If you choose to distribute the information to your individual residents, we suggest the data be reformatted in a way that describes *your* method of passing along these charges through your contracted sub-metering company.

**Please refer to the rate sheet below for the specific rates and effective dates.**

For further details on Padre Dam's rates, we encourage you to continue exploring our website or contact our Customer Service Department at (619) 258-4600, Monday through Thursday, 9:00am—4:30pm, and Friday, 8:00am—12:00pm.
